

To the Members of the California State Assembly:

I am returning Assembly Bill 711 without my signature.

I fully support the concept of streamlining and improving the oversight of California's private postsecondary and vocational education. However, this bill does not achieve that goal and could harm consumers, as it is unclear what authority the Bureau of Private Postsecondary and Vocational Education (Bureau) would have to sanction institutions that fail to comply with state laws. AB 711 falls short of its objective to streamline functions of the Bureau.

Therefore, I am unable to sign this measure.

Sincerely,

Arnold Schwarzenegger
